入学时间

- 每年 7 月和次年 2 月为标准入学时间
- 因为澳洲签证时间要 3-4 个月的审批时间，学生最好明年 3 月份左右递交签证 赶 7 月的入学，
- 在这之前需要考出理想雅思 6.5（单项 6 以上） 才能办理入学手续，所以尽量年底年初报名项目，争取在 1-2 月份考出理想雅思成绩办理入学，时间会好些。

- 紧急且重要！2025 年 11 月 14 日起，新的部长令 115 将取代原部长令 111，主要方针和 111 类似，但新增了一条规定 如学生所申请的院校国际新申请名额已达到当年招生配额的超过了 115%及以上，那所有未下签学生的签证风险等级将按照 Priority 3 级别审理，签证审理周期将更长。想要入读 2026 年开学季的学生 一定要尽快准备完整的材料完成递签。 另外，如学校已豁免语言要求的学生 还是有被抽查补充语言成绩的可能，除非学生已在指定的英语母语国家读书满 5 年的时间。

Huiyuan

Bachelor of Engineering (R&D) (Honours)
Huiyuan is in her third year of the Bachelor of Engineering (Research & Development) (Honours) degree at ANU, thanks to a partnership with the Beijing Institute of Technology (BIT). Huiyuan applied to complete her degree at ANU for a change of study environment. "Here the environment is enjoyable, both academically and socially." The elite R&D engineering degree gives students access to an innovative structure, where students are able to...

Lin

Bachelor of Engineering (R&D) (Honours)
A family legacy in engineering spurred international student Lin's interest in studying engineering. "My father is an electronic engineer who has dedicated his entire life to working on China's navigation system, and my mother is an engineer working in food manufacturing," says Lin. Lin's hometown is Beijing, China. He transferred to the ANU after studying for two years at the Beijing Institute of Technology (BIT). "ANU has a strong academic...
