联合国可持续发展目标（SDGs）短期线上课程

2022 年春 招生简章

基本信息 | Basic Information

(一) 项目标题：联合国可持续发展目标（SDGs）短期线上课程（代码：JP31-D-SGDs）

(二) 主办单位：立命馆大学国际部

院校简介 | University Introduction

立命馆学园是日本历史和传统悠久的私立综合教育机构之一，我们在 2020 年刚刚庆祝了立命馆私立学校成立 150 周年以及立命馆学园成立 120 周年。

日本著名的政治家和国际派代表人物西园寺公望倡导的自由主义和国际主义的学校精神与其任文部大臣时的秘书中川小十郎追求的学术自由和创新的理想相结合。成为了立命馆学园的办学传统。今天，“自由创新”的校风使立命馆学园作为积极推动大学改革的教育机构，受到社会的高度赞赏。

The Ritsumeikan Academy is one of the private comprehensive educational institutions in Japan with rich history and tradition, and we celebrated the 150th anniversary of the founding of the Ritsumeikan private school and the 120th year of the establishment of the Academy in 2020.

The school spirit of liberalism and internationalism advocated by Prince Saionji was combined with the ideals of academic freedom and innovation pursued by Nakagawa, and became a tradition of the Academy.

Today, the Ritsumeikan Academy is highly admired by society as the educational institution which actively promotes the university reform. Such spirit of innovation and inspiration is simply based on the Academy's school spirit, "freedom and innovation."

项目简介 | Program Introduction

立命馆作为一个教育和研究的机构，承诺促进和平，立命馆宪章中明确了上述理想。这也将指导我们继续以自己独特的方式实现可持续发展目标。我们将通过联系不同国家，寻求解决日本和世界面临的问题的办法。旨在培养能够承担这些的任务的个人和组织，让他们具备这些新的知识。

为此，我们会在 2030 年及其以后，为改善未来社会做出自己的贡献。

Ritsumeikan, as an institute of education and research, pledges to promote peace. The above ideal, expressed in the Ritsumeikan Charter, will guide us as we continue pursuing our own distinctive approach to achieving the SDGs. We will seek solutions to the problems faced by Japan and the world by linking diverse individuals and organizations, aiming to nurture talented individuals who can take on the task of generating new knowledge.

Thus we will contribute to improving the societies of the future, in 2030 and thereafter.

学习目标|Goal of the Program

课程一

学生将了解什么是 COVAX，包括它的优点和缺点。他们还将了解 COVAX 的替代方案，如全球税收、全球基本收入和世界政府。有了这些知识和理解，学生们将有一个全球视野来改变现状。

The students will know what COVAX is, including its advantages and disadvantages. They will also understand the alternatives to COVAX, such as global tax, global basic income and a world government. With those knowledges and understanding, the students will have a global vision to make a difference.
